Chuck Norris

February 19, 2023 04:42 pm

Guy was a pleasure to have on the farm. He laughs loudly at all my jokes (I like that). He seemed a little put out that he would not be able to do any more pushups (I have done them all) but he put on a brave enough face in my company. When he realised that I have counted to infinity (twice), he seemed to cheer up immediately. Guy is welcome back anytime. Regards.
PP: Chuck.
